GOTTINGAE,

APUD RUDOLPHUM DEUERLICH.

1850.

PRAEFATIO.

Tandem operis edendis Nawawii, Jacuti, Cazwinii, aliorum libris perdiu interrupti tibi, benevole lector, trado finem. Pauca sunt, quae ultimis duobus fasciculis, quibus praefatio separata adjuncta non est, supplementi loco adjiciam. In excerptis carissimi Wolff nonnisi vita Jazidi Ibn el-Tatriae Nr. 832 exstabat; deerant contra in Codice B. vitae Nr. 835 et 836, et in Codice A. vita Nr. 865. Typis exscripta antea fuerat vita Safadii Nr. 863 in collectione Parisiense, quae inscribitur Notices et Extraits des Manuscr. T. VII. et in Wakedii libro ab Hamakero edito, et subscriptionem totius libri Cl. Nicoll in Bibliothecae Bodleianae Codd. Mss. Catalogi Tomo II. pag. 108 vulgaverat. Sed aliud adminiculum longe amplius ad vitam Salah-ed-Dini Nr. 856 edendam praebuit ejusdem vitae ab Ibn Schaddâd conscriptae editio Schultensiana; quae tamen ex nostro quoque passim emendari potest.

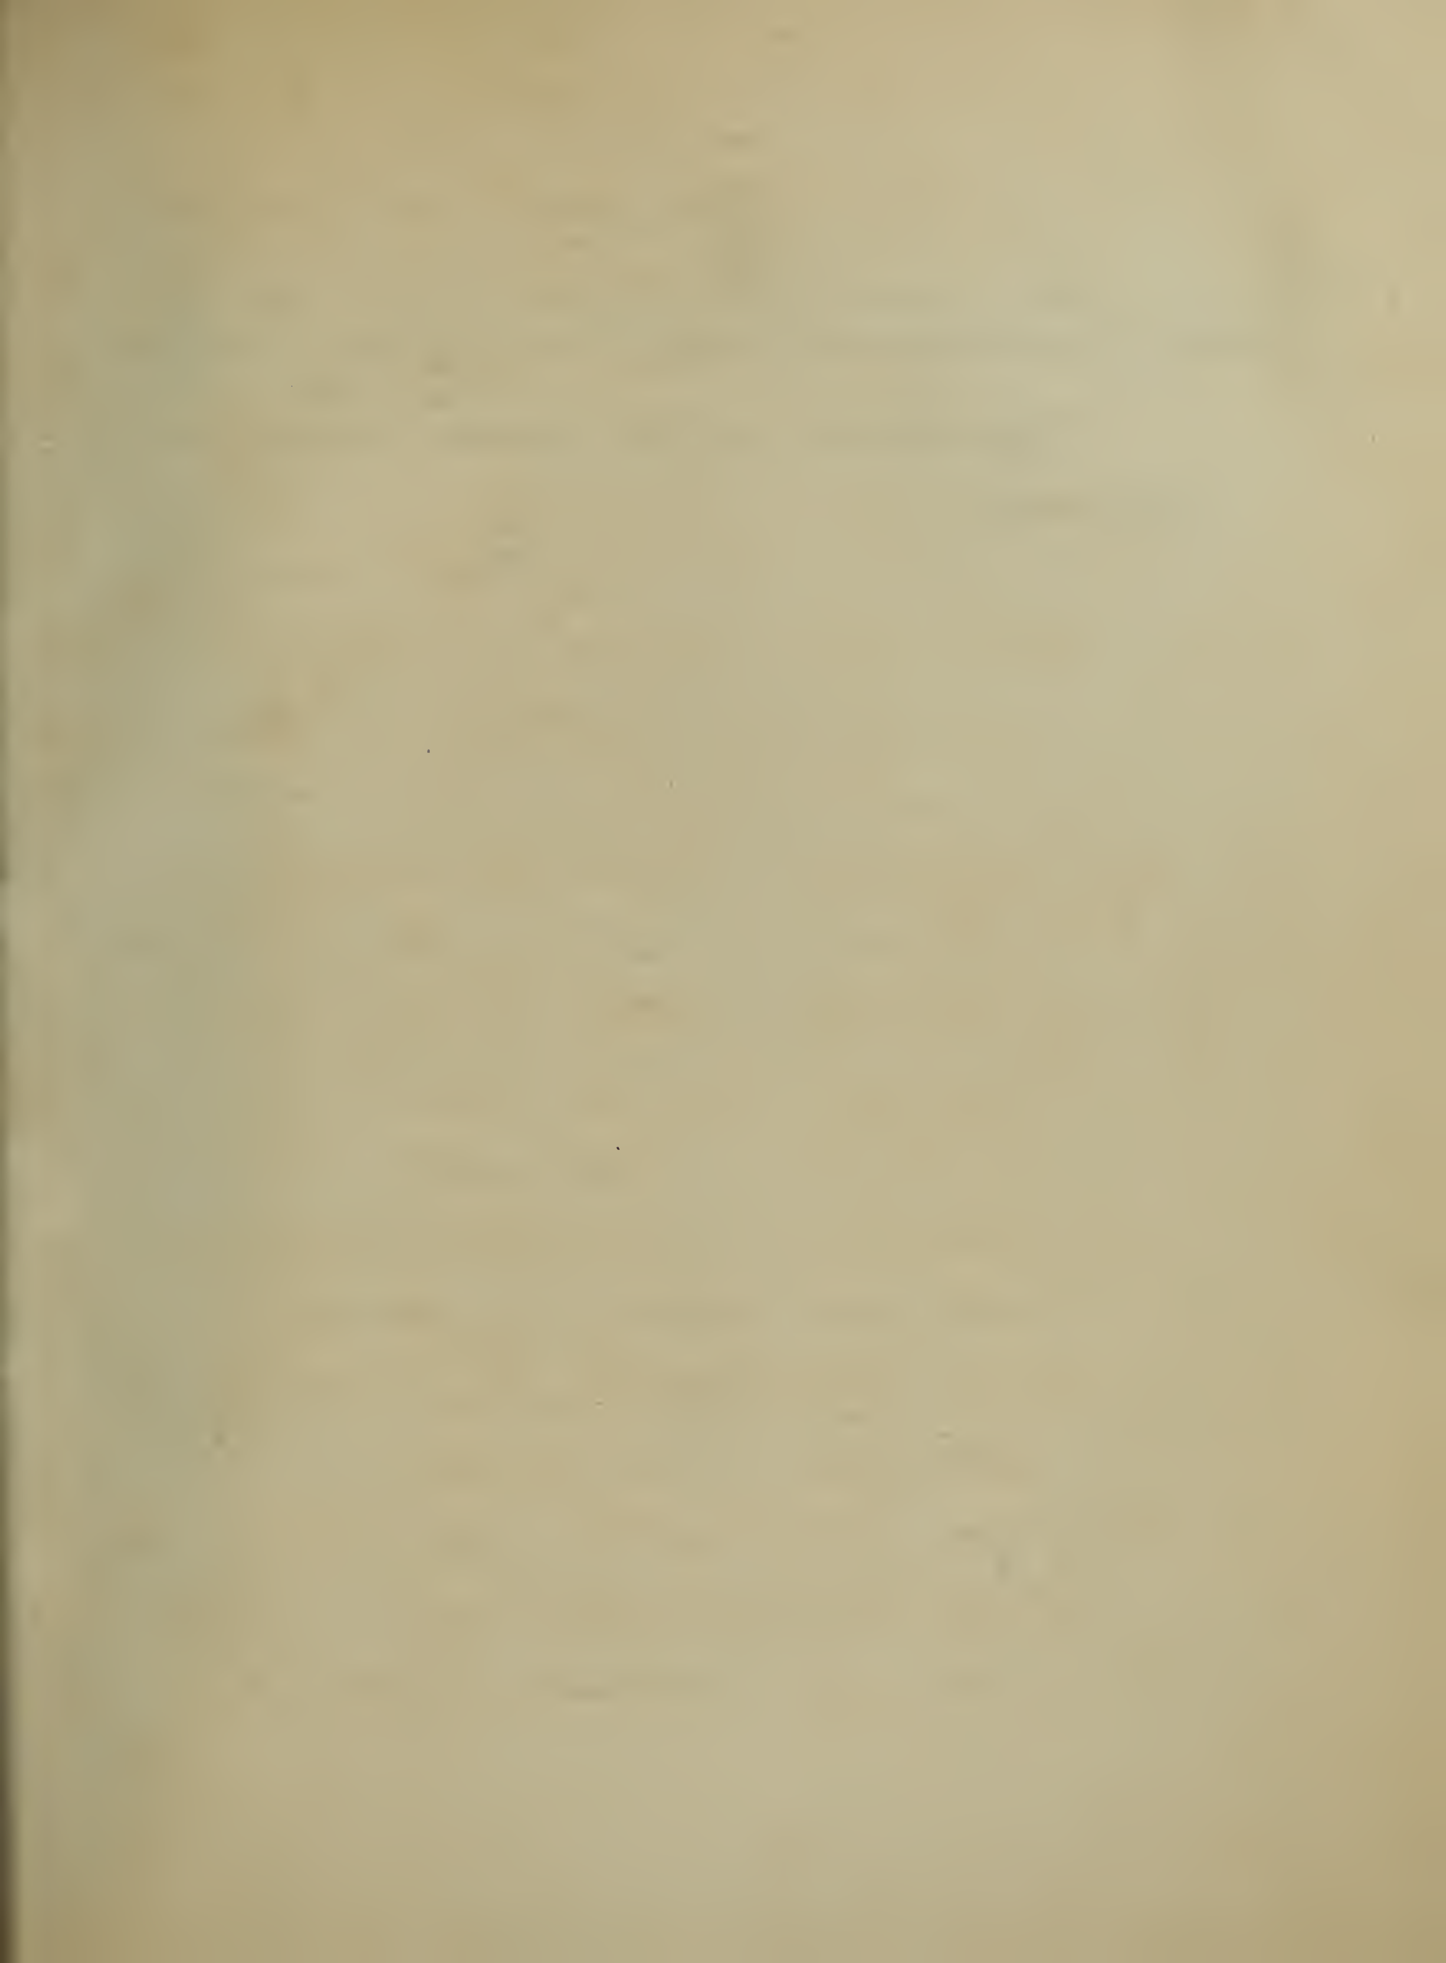

Indices in totum librum confeci tres, quorum primus continet personarum et locorum memorabilium nomina, secundus auctores et scripta recenset, quibus Ibn Challikân in elaborando libro suo usus est, tertius denique librorum titulos complectitur, quorum mentio in uni-

verso libro facta est; in primo et tertio vitarum numeros servavi, addito in longioribus numero paginae, in secundo delegavi ad fasciculos eorumque paginas.

Scribebam Gottingae d. 20. mens. Mart. An. 1850.

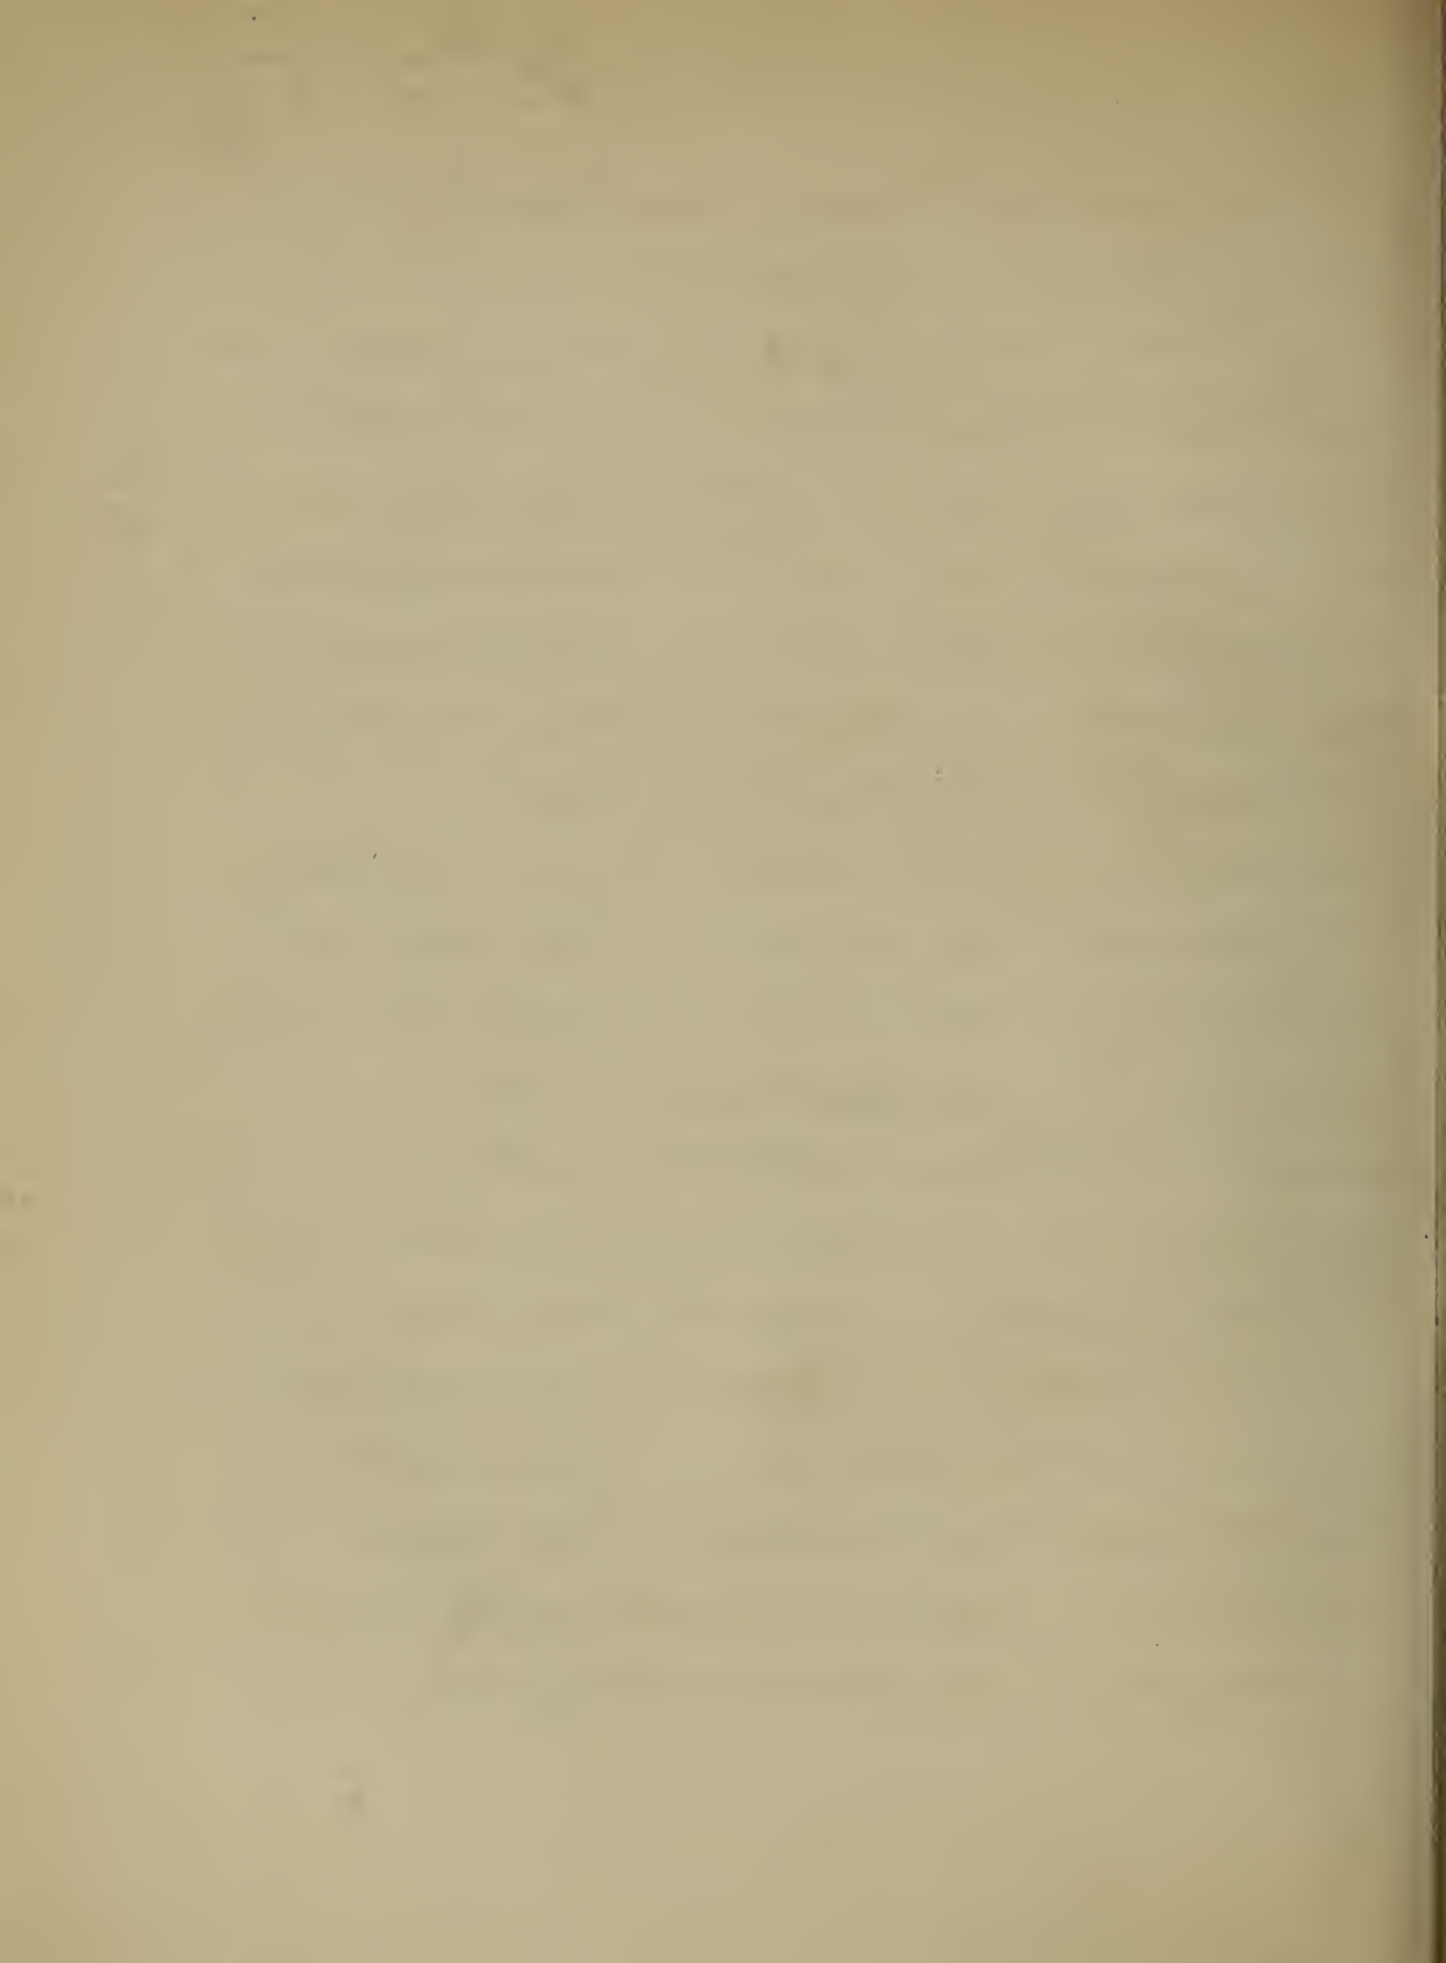

F. Wüstenfeld.
